

Advantages for the Practitioner

Save time—Prepare both returns in the time it takes to prepare ONE

Software automatically copies relevant data from the federal return to the state return.

Save money

See more clients per day, reducing operating costs—time is money!

Increase Strong Client Relationships

- Reduce the chance of errors—IRS computers quickly and automatically check for errors or other missing information.
- Proof that both returns have been received within 48 hours.
- Fast Refunds—Within 10 days with Direct Deposit.
- Electronic Payment Options—Convenient, safe, and secure.

Free Advertising

- IRS and states advertise the benefits of *e-file* to taxpayers.
- IRS includes your name, address, and phone number on their web pages as an Authorized IRS *e-file* Provider so new clients can easily find you.
- Free marketing materials are available to promote your business and promote IRS *e-file*.
- How and where to expand your *e-file* business is available at www.irs.gov/efile.

File Your Federal & State Income Taxes

FAST!

EASY!

CONVENIENT!

ACCURATE!

SECURE!

*consider
it done*

A Quick, Easy, Smart
way to get your taxes
where you want
them to be—**Done!**

Weigh the Advantages for Your Clients

- ▶ **ONE STOP FILING**— allows Federal and State returns to be filed together getting your clients out the door quicker and happier.
- ▶ **REFUNDS ARRIVE FASTER**— Your clients receive their refunds in half the time as paper filers—choosing Direct deposit they will have it in as few as 10 days.
- ▶ **RETURNS ARE ACCURATE**— IRS automatically checks for missing information or errors and electronically acknowledges receipt of individual income tax returns within 48 hours.
- ▶ **PAY ELECTRONICALLY**— your clients can e-file early and schedule an electronic funds withdrawal from their bank accounts—as late as April 15 or pay by credit card to delay out-of-pocket expenses.
- ▶ **SIGN ELECTRONICALLY**— your clients can use a Personal Identification Number to electronically sign their forms or authorize you to do so—resulting in a completely paperless return.
- ▶ **SECURE**— IRS does not share your clients' information with anyone and only uses the information to process returns. IRS does not have access to bank account or credit card numbers, nor does it participate directly in any transactions.
