

Link & Learn Taxes

Updates for the 2010 Tax Year

Link & Learn Taxes is web-based training designed *specifically* for VITA/TCE volunteers. Each volunteer's ability to prepare complete and accurate returns is vital to the credibility and integrity of the program. Link & Learn Taxes, as part of the complete volunteer training kit, provides the path to achieving this high level of quality service to taxpayers.

Link & Learn Taxes and the printed technical training guide, Publication 4491, work together to help

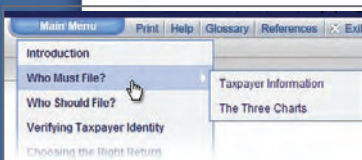

volunteers learn and practice.

Link & Learn Taxes for 2010 includes:

- Access to seven VITA/TCE courses
- Easy identification of the VITA/TCE courses with the course icons
 - As you progress through a lesson, the Basic, Intermediate, Advanced, Military, and International icons will display, depending on your level of certification.

- Two optional modules for tax preparers with Advanced, Military or International certifications:
 - Cancellation of Debt for Credit Cards and Mortgages
 - Health Savings Accounts (HSAs)
- Easy navigation within a Link & Learn lesson using the controls available on every screen.

- Drop-down Main Menu: Allows you to go directly to any topic in your current lesson
- Go to page: Type a screen number in the blank and click the small arrow to automatically jump to any page in the lesson
- Page: Click any bold page number, to automatically jump to that page
- A **NEW** icon to identify new tax law changes for 2010
- The Practice Lab

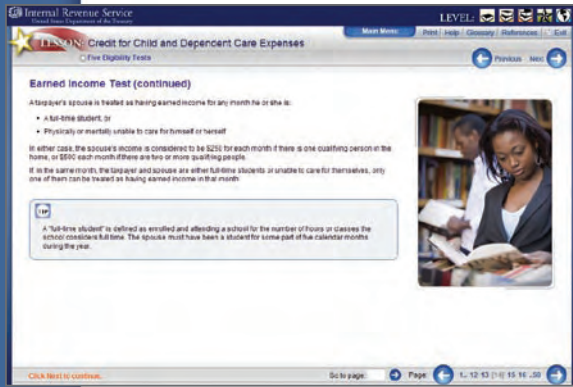

- Gives volunteers practice with an early version of the IRS-provided tax preparation software
- Lets volunteers complete workbook problems from Publication 4491-W
- Lets volunteers prepare test scenario returns for the test/retest
